

**SINGLE NEEDLE OVEREDGING MACHINE FOR  
 ABUTTED JOINING OF FABRICS FOR DYEING AND FINISHING**

**39500QPZ3110**

Single needle single thread overedging machine, cam adjusted, plain feed, for abutted joining of fabrics for dyeing and finishing. Edge trimmer.

Max. Speed: 5000 stitches / min. (depending on sewing operation)  
 Seam Width: 9.5 mm, opened approximately 18 mm  
 Stitch Range: 2.1 – 5 mm  
 Seam Specification: 501 SSa-1 / FSf-1

501 SSa-1

**39500QPZ3110C**

Same as 39500QPZ3110, but all unpainted parts chromium plated for protection against rust.

**39500QPZ3110A**

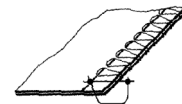

Same as 39500QPZ3110, but two thread overedging machine.

Seam Specification: 503 SSa-1 / FSf-1

**39500QPZ3110AC**

Same as 39500QPZ3110, but two thread overedging machine and all unpainted parts chromium plated for protection against rust.

Seam Specification: 503 SSa-1 / FSf-1

503 SSa-1

● EFFICIENT  
 ● RELIABLE  
 ● STURDY
